"For though He was crucified in weakness, yet He lives by the power of God. For we also are weak in Him, but we shall live with Him by the power of God toward you. Examine yourselves as to whether you are in the faith. Test yourselves. Do you not know yourselves, that Jesus Christ is in you?—unless indeed you are disqualified. But I trust that you will know that we are not disqualified."

We are once again offering a voluntary 3-level pricing program. Level (1) represents the actual cost for a child to attend camp for the week. Level (2) represents a partially subsidized rate and Level (3) is our historically subsidized rate. We realize that families have differing abilities to pay. Therefore, you get to choose the price that works best for your situation, and your decision will not influence the quality of care or programming your child receives.
